

ON-SITE POSTER BOARD OVERVIEW

Paper posters are available for viewing at the designated areas of the Symposium venue. Please refer to the board numbers below to find a specific topic or poster. In addition, electronic versions of most on-site posters are available in the E-Gallery via the ISPPD-12 Virtual Platform, Mobile App and E-Poster Stations.

1. DISEASE BURDEN	001-066	7. PNEUMOCOCCAL DISEASE AND PREVENTION IN ADULTS	285-314
A. Disease burden in infants and children	001-022	A. Disease burden in adults	285-297
B. Epidemics, outbreaks, and special settings	023-025	B. Adult vaccination strategies	298-308
C. Global pneumonia control	026	C. Indirect effects of paediatric programmes on disease in adults	309-314
D. Pneumococcal epidemiology	027-066		
2. HOST-PATHOGEN INTERACTIONS	067-099	8. PNEUMOCOCCAL DISEASE IN HIGH-RISK POPULATIONS	315-333
A. Immunology	067-072	A. Pneumococcal disease in aboriginal populations	315-317
B. Pathogenesis	073-081	B. Pneumococcal disease in persons with high-risk conditions	318-333
C. Host-pathogen interaction	082-089		
D. Viral/bacterial interactions and microbiome	090-099		
3. VACCINATION STRATEGIES AND IMPACT	100-167	9. CURRENT STATE OF VACCINES AND VACCINE TRIALS	334-378
A. Vaccine effect on disease in children	100-138	A. Pneumococcal vaccines in development	334-363
B. Trends in non-vaccine serotypes	139-158	B. Vaccine use and coverage	364-375
C. Mathematical modeling	159-167	C. Economic studies	376-377
		D. Vaccination policies	378
4. DIAGNOSIS AND MANAGEMENT	168-204	10. PNEUMONIA AND PNEUMOCOCCAL DISEASE IN THE TIME OF COVID-19	379-405
A. Diagnosis and diagnostic assays	168-183	A. COVID effects on pneumonia and pneumococcal disease burden	379-395
B. Antimicrobial resistance	184-192	B. Management of community acquired pneumonia in the time of COVID	396-397
C. Conventional and molecular microbiology	193-199	C. Emerging data on SARS-CoV2 and pneumococcus interaction	398-405
D. Treatment of pneumonia and pneumococcal disease	200-204		
5. GENETIC SEQUENCING	205-231		
6. PNEUMOCOCCAL COLONIZATION	232-284
